(S) We delivered ref (A) demarche again to Mladen Mijovic, Foreign Ministry Deputy Defense Secretary on May 21. On June 25, Mijovic reported to us that he had received a response from Economy Ministry assistant minister Ana Blagojevic, confirming that there is no record in either the Economy Ministry or in Customs that Belchem intended to import or imported fiber-optic gyrocompasses between January 1, 2006 and May 29, 2008. Mijovic reiterated the importance the Serbian government places on cooperation with the USG on export control issues.
